

## Latest Arrangements for Worship Services and Church Meetings (Oct 8, 2020)

As the public gathering restrictions are relaxed, all the on-site worship services of the NPAC family will resume from Sat-Sun Oct 10-11 (NPAC 68<sup>th</sup> Anniversary) onwards. Below are the latest arrangements:

### I. Worship Services

- All on-site worship services will resume from Oct 10-11 onwards. Please see table below for the arrangements. As church premises must not exceed 50% of the normal seating capacity and there are also limitations on our use of venues, brothers and sisters' cooperation would be appreciated. There are usually more attendees at the Sunday 10:45am worship service. As Children's Sunday School classes (in Chinese) are conducted in the Truth Centre, parents usually attend the live broadcast in the Truth Centre. In general, more seats are available at the 3 worship services on Saturday and the Sunday evening worship service. Brothers and sisters may take these into consideration when making arrangements for attending worship services. The live / recorded broadcast of some worship services is still available at this stage.
